

# ACUMEN CAT1 3 YEAR WARRANTY/ WARRANTY TRANSFER DOCUMENT

**IMPORTANT: KEEP THIS DOCUMENT WITH YOUR VEHICLE REGISTRATION DOCUMENTS**

## TERMS & CONDITIONS

1. The terms of this warranty do not affect your statutory rights.
2. The warranty period runs for three years from the date of installation. It applies only to motorcycles registered in the UK and to the original owner unless the warranty has been transferred under our warranty transfer scheme (See below).
3. Subject to the following conditions contained in this warranty, should the alarm fail as a result of faulty design, workmanship or components, we guarantee to repair or replace the unit free of charge.
  - a. The system must have been fitted by an ACUMEN approved installer and used in accordance with the operating manual.
  - b. The installation certificate must have been completed and returned to ACUMEN within 30 days of installation.
  - c. The system must not have been subjected to tampering or attempted repair by unauthorised persons.
  - d. ACUMEN will not be responsible for any costs whatsoever in the event that:
    - No fault is found
    - The remote control batteries are discharged
    - The fault is the result of fuse failure in either the system or motorcycle
    - The system or remote control(s) have been misused or are damaged
    - The fault lies with the motorcycle

## CHANGE OF OWNERSHIP & WARRANTY TRANSFER

To be effective, an alarm must be a crucial part of your bike so it makes sense to keep it covered by the original ACUMEN warranty. You can transfer the original warranty for the remainder of its term by filling in the form below, enclosing a copy of the V5 registration document in your name and payment for **£35**.

In return you will receive: A new alarm owners handbook  
Confirmation of the transferred warranty  
Copy installation certificate  
Spare batteries for two transmitters [4 x batteries]

Where the original warranty has less than two years to run, the new warranty will run for **THREE YEARS** from the date of transfer.

Motorcycle Registration No. \_\_\_\_\_ Motorcycle Make & Model \_\_\_\_\_
